We will have 2 bye weeks with no league. February 12th-18th and March 11th-17th.

Playoff schedule will start April 1st. Any regular season rounds not completed by end of day March 31st will be forfeited.

Playoff ties – teams will go back to the 1st tee box played and play 3 holes. If there's another tie, teams will play the next 3 holes, etc. until there's a winner. Bumps will apply.

To maintain the integrity of this league we will be reviewing scorecards for legitimacy and outlier holes that look as though they were used to pad handicaps. If we deem that changes need to be made, we will adjust scores accordingly. Gross double bogey is the highest score counted when we calculate HC's.

Weekly closest to the pin competition. If you hit it close there is a sheet by the bar to write down your name and distance from the pin!

Please let us know if you have any questions. Good luck and let's make this the best league yet! We appreciate all of your continued support!
